SUBJECT: **DISTRICT WIDE RECYCLING PROGRAM**

The School Board of Broward County and Broward County Government have been engaged in a comprehensive paper, cardboard, glass and aluminum recycling program for approximately seventeen (17) years. **Effective Monday, July 2, 2012**, this program will now be facilitated through the District's Energy Conservation Utility Management Department. Please assist in keeping this program successful by informing teachers, office staff, and facilities service persons of this change.

The preferred method of communication with the Energy Conservation/Utility Management Department is through the EMS help desk via CAB email by typing in EMS in your to line.

For additional information on recycling please call Rob Jindracek, Manager of Energy Conservation/Utility Management at 754-321-4750
